

SCHINDLER AHEAD ACTIONBOARD

REALTIME INFORMATION.
ALL TIME ACCESS.

The Schindler Ahead ActionBoard is designed for building and facility managers. Performance status and ongoing activities of your elevators and escalators are delivered right onto your desktop PC or mobile device. Powered by the Schindler Ahead digital service, real-time information keeps you on top of things.

ON TOP OF THINGS

Plan ahead with the Schindler Ahead ActionBoard. Customizable reports deliver exactly what you need and the real-time status updates allows to even track specific equipments. The user-friendly designed cockpit gives you the essential information at a glance. Turn information into action.

APPLICATION RANGE

The Schindler Ahead ActionBoard delivers its full potential with all elevators and escalators that are connected to the Internet of Elevators and Escalators. For all equipments that are not connected you will see historical performance statistics and conducted services.

SCHINDLER AHEAD ACTIONBOARD
